Why Become a Youth Sponsorship

Welcome and pertinent information, your sponsorship is a great way to further your leadership skills and volunteer for your community. As a youth sponsor, you are a role-model providing friendship, a warm shoulder to help them develop and adopt their knowledge and experiences with our new people and help others you get to meet. Being a youth sponsor is a great way to meet new friends and learn new things, show you around and tell you about your new school and the community places to see and do. It helps when you have someone that can always be there for you when things are not going well. It's always new and always different.
